

Chandler announces its **"Take a Seat!"** campaign, an innovative plan for friends and patrons to help fund finishing touches for the Chandler Centennial renovation and expansion project.

The public is invited to sponsor one or more seats in the historic music hall, providing a unique recognition opportunity. One can select a specific favorite seat and create a lasting tribute to a person, a business, or even a special event. The fundraising project also provides an opportunity for those who want to acknowledge Chandler's significance in their own lives or those of their family and friends. A brass plaque with the text of the donor's choice will then be affixed to the back of the seat.

The 575 seats in the hall have been divided into four price tiers and the requests will be filled on a first-come first-served basis. Order forms with a color-coded seating chart are available at Chandler, as well as at Randolph Main Street businesses: Ken's Barbershop, The Blue Moon Boutique, Patrick's Place, and Randolph National Bank.

The \$3.2 million construction and renovation project at Chandler is well under way and a celebratory ribbon-cutting is anticipated in the fall. But there are still a number of "finish and fit-up" projects that need funding and this is a way for Chandler fans to donate and be part of the building's history.

For further information, call Chandler board members Marda Donner at 276-3808 or Janet Watton at 728-9402.
