Chandler Music Hall and Gallery spaces are housed in a fully-accessible facility that has been recently renovated and expanded. Built in 1907 as a commercial theatre and community gathering space, the beautiful Victorian hall with near-perfect acoustics was a gift to the Town of Randolph by Colonel Albert Chandler. Today it is a thriving regional arts center with a year-round calendar of performances, gallery exhibits, and educational and community activities.

Chandler's first and second floor Galleries provide an elegant setting for parties, business meetings, and receptions. Newly-constructed meeting rooms are ideal for meetings, workshops or instructional uses. Internet access is available.

The Music Hall may be rented for a variety of uses, including fully staged theatrical productions, piano recitals, weddings, and popular performances.

Please give us a call and we'll be happy to give you a tour and discuss the ways Chandler might serve as the site for your next event or meeting.
